HAPPY 2016!

ARIZONA OUTDOOR ADVENTURES

promoting healthy outdoor activities

CAMP SEASON 2015

Another wonderful camp season has come and gone. Thinking back, there were lots of good highlights - one of the better ones is all the moisture this past year. Fire danger was at a minimum, and no fire restrictions, so a lot of enjoyable campfire times! As with most years, many fish were caught and excited kids got to see their first fish surface. On a year like this past year the utility tent comes in very handy. That's the large wall tent where everyone can gather during the stormy night. A great place to play some card games, out of the rain. As the years come and go we see more and more how the outdoors and kids go hand in hand. Our gratitude to each of you for helping to make it possible! - Dan & Joanne

7TH ANNUAL

Camping Companies Golf Outing: Benefitting Arizona Outdoor Adventures

We're always excited for this opportunity to express sincere appreciation to Camping Companies! Thank you, Walt, Doug, Kevin, Kevin Clark, and CCI staff members for again furnishing vital support to provide kids with opportunities to see and experience the great Arizona outdoors! Thank you to Blackstone Country Club and to each and every participant! The gift of your time and resources means so much as it enables many kids to have first time fishing and outdoor activity adventures.

Special Thanks To:
